

The 2004 LIFE SCIENCES VENTURE SUMMIT

Funding Life Science Startups

March 22, 2004 | Madison Square Garden | New York City

The 2004 Life Sciences Venture Summit is the premier venture capital conference connecting early stage biotechnology and life science ventures with investors.

The 2004 Life Sciences Venture Summit will feature up to 15 innovative companies seeking initial rounds of venture funding. These first-rate companies representing a variety of sectors including: Healthcare, Biotechnology, Medical Devices, Diagnostics, Pharmaceuticals and other related fields, will present and exhibit their breakthrough investment opportunities to an audience of active investors and potential strategic partners.

Who should attend:

The summit is open to all interested investors and industry executives. It is recommended that the following individual should attend.

- Traditional, corporate, and private investors actively seeking Life Science investment opportunities
- Investment professionals looking for others to form investment syndicates
- Senior management of emerging life science ventures
- Strategic partners who want to learn more about industry trends and opportunities

Featured Venture Funds:

Apax Partners	KBL Healthcare Ventures
Carrot Capital Healthcare Ventures	New York City Investment Fund
Easton Hunt Capital Partners	PA Early Stage
Edelson Technology Partners	Polaris Venture Partners
