Smart Cities Connect is where the smart cities community meets.

Smart Cities Connect provides meaningful content and connect a thoughtful community of decision-makers to empower smart cities at all stages of growth. We accelerate the adoption of smart technology solutions, aid in problem solving, and amplify city resources for the betterment of cities, communities, and their citizens.

Smart Cities Connect Conference and Expo is **the most comprehensive conference, exposition and accelerator of smart city innovation in North America with over 500 + leaders in attendance.** We deliver premium networking and educational opportunities with a keen focus on city leaders and their priorities. Working closely with the technology community, we bring together the largest collection of intelligent systems providers for energy, infrastructure, networks, data management, urban mobility, citizen engagement and governance solutions,

We are also home to the largest city-first membership organization for smart city leaders. This group advances the growth of smart cities by working together, discussing projects, and shaping common goals and challenges.
