

Emanuel Martinez, General Managing Director of GreenHills Ventures, LLC., Advisory Committee of the Spain-US Chamber of Commerce invests in Winner of Business Plan Competition

Wasabi Life is the first white label wellbeing & lifestyle platform in the world, that allows any kind of business to get in hours their own customized lifestyle & wellbeing mobile app. Wasabi will be your digital coach for improving your lifestyle and health, you can connect most of the popular Wearables and eHealth apps in the market, it will help you train and optimize your physical level, it will teach you on what its healthy or not to eat and it will also tell you what are your optimal levels in different health aspects in order to reach them in a fun and social way. You can create a team inside the app for reaching a goal together and the best is that for every effort you make you will get rewarded!

Founded in New York in 1959, the Spain–United States Chamber of Commerce has become one of the leading transatlantic business organizations fostering economic ties between the two countries. Our guiding mission is to advance, promote and assist in the expansion of bilateral trade and investment between Spain and the United States. The Chamber brings together businesses. Ranging from individual entrepreneurs to large corporations, our membership includes the most important and influential companies from both countries, including major players in banking, energy, pharmaceuticals, telecommunications, accountancy, law, management/business consultancy, fashion, food and beverages, airlines and furnishing.
