* All PowerPoint presentations must be e-mailed to bbachenheimer@pace.edu by NOON on 12/1/04.

Basic idea:

The Pace Pitch Contest is based on the Elevator Pitch concept, popular in the venture capital community. It is an extremely concise presentation of an entrepreneur's idea, business model, marketing strategy, competitive analysis, and financial plan, which is delivered to potential investors. The premise is that it

could be made in a few minutes, should the entrepreneur spot a potential investor on an elevator and have the opportunity to pitch their idea during the brief ride.
